

Questions you may be asked at an interview

Below are some questions which you may be asked during your interview. Again, these are indicative and should not be seen as a comprehensive list. They instead highlight areas you should consider ahead of any interview.

1. Why do you want to study in the UK?
2. What are the benefits of studying in the UK compared to any other country or your home country?
3. Why did you choose to study at this University?
4. How did you find out about this University?
5. Which other universities have you considered?
6. Where is this University and how will you travel there?
7. Have you arranged your accommodation yet in the UK? If not, how will you go about doing so?
8. What is the name of the course you will be studying at the University?
9. When does your course start and how long does it last?
10. How many modules will you be studying and what topics will be covered?
11. Why did you choose your course and which topics are you most interested in?
12. How does this course fit in with your previous studies / work experience?
13. Why have you chosen now to undertake this course?
14. How will your course be assessed?
15. What qualification will you receive?
16. What is the relevance of the course to your future career path and what do you plan to do at the end of your course?
17. Are any Dependents accompanying you to the UK and if so what will they do when in the UK?
18. How will you pay for your studies in the UK?
19. If your parents are funding your studies in the UK what occupations do they hold and how much is their salary?
20. Do you intend to work whilst in the UK and do you understand the work restrictions under the student visa route of the Points Based System (PBS)?
